

# WDS-E-NEWS

It's again Interpack time and Winkler und Dünnebier Süßwarenmaschinen GmbH would like to invite you to Düsseldorf from 4th to 10th May 2017.

You can find us in **hall 3, booth C07**.

On our stand we present to you our current machine generation with many technical innovations and improvements.

In detail we show:

- The new Mogul Plant Type 660 :  
Cost-efficiency due to modular design.
- ConfecECO: Solutions for emerging companies
- WDS Lab-Extruder : The compact all-rounder
- WDS : The Full-Service Provider
- Industry 4.0 and ChoConnect

See for yourselves and visit us!

Provided that you can do your scheduling early, we would ask you to contact us

We would be pleased to welcome you to our booth and wish you already today a good journey to Düsseldorf.

Best regards
