**Participation fee:** per participant Euros 1,090.00

5 % discount for participation of 2 – 7 people  
from one company

10 % discount for participation of 8 – 12 people  
from one company

### General Terms

**Conditions of participation:** The participation fee will be due without deduction on receipt of invoice and has to be received on the WDS account before the start of the workshop. It has to be transmitted free of costs for WDS. Participation will only be possible after receipt of payment 2 weeks before start of the workshop.

**Travel:** We will send you a location map together with the acknowledgement of registration. Accommodation costs are not included in the participation fee. We have reserved hotel rooms at several hotels near our factory.

**Cancellation:** We kindly ask for your understanding that we have to charge you with a handling fee of 10 % for a cancellation up to 2 weeks prior to the workshop and 100 % for a cancellation up to 1 week prior to the workshop. Of course, we will accept a replacement participant to fill in free of charge. Should the workshop have to be cancelled due to organizational or other reasons by WDS, the participation fee will be refunded completely, further claims to be excluded.

**Data protection:** With regard to the regulations of the Federal Data Protection Act, we draw your attention to the fact that the addresses of interested people and participants will be stored in order to be able to send them programs and further information.

### Topics of the WDS Workshop Gum & Jelly:

The workshop deals with the production technology of deposited mogul products. In addition to various lectures, the participants themselves will produce appealing deposited articles on our different Pilot Plants. Therefore, the participants get the hands on chance to try for themselves the things they learned during the lectures.

### Aims of the WDS Workshop are to show:

- The basic requirements of mogul production for a successful depositing process
- Product specific factors in mogul technology
- The handling of the One-Shot depositor
- The different depositing parameters and their results on the depositing process
- Different One-Shot applications

### The WDS Workshop is aimed at:

- Managers of production of confectionery-producing companies and suppliers to the confectionery industry
- Product development personnel
- Application engineers
- Line operators
- Production assistants

### Cost of the WDS Workshop:

The three-day workshop costs Euros 1,090.00 per person, including board and documentation, excluding accommodation cost.

### Maximum number of participants:

8 people

☞ ***Please bring work clothes!***
